

# Women in Computing

General Body Meeting #2  
February 13, 2015

# Preparing for DECaf

- What is DECaf?
  - Disciplines of Engineering Career Fair
- Friday, February 20, 2015
- 9:30am - 2:30pm
  - Get there early! Lines start forming at 9:30!
- Price Center Ballroom East and West
- Dress Business Casual
- Print at least 10 resumes
- Name Tag on Right Side

# Preparing for DECaf

- Talk to your target companies last so you can practice with the other ones.
- Research the companies you are interested in beforehand (blog, twitter, news).
  - don't have time? Do it while you're in line on your phone!
- Be ready to talk about **EVERYTHING** on your resume!
  - If you don't know it, don't put it on there.

# Talking to Recruiters

- Firm Handshake
- Make Eye Contact
- Practice an elevator pitch (if you had only 1 minute in an elevator with this person, you should be able to impress them before the ride is over).
  - Use this as an intro to you!

# Talking to Recruiters

- Figure out what your interests are and how they align with what the company is involved with.
- Know what position you want. (ie, PM, SDE, SDET, TPM, Full Stack, etc.)

# Get Feedback

- Ask the recruiters what you could do better on for your resume next time.
- Ask what their previous interns have had on their resumes.

# Follow Up

- Ask for a business card or email.
- Follow up if you chatted about anything in particular that was unfinished.
- Thank them for their time!
- Send within 48 hours.

# Google Trivia

- Form teams of 3
- Answer trivia questions about Google and win prizes!
